

Curriculum Enrichment Fee for Band Class Students

The amount of money that the curricular band classes receive from Cobb County each year constitutes less than 5% of our total annual operating budget and while that amount does aid in our program needs, it does not cover fully the instructional materials necessary to maintain the reputation of excellence the Harrison Band program has excelled towards. As well, each year, 50% of the annual budget is accumulated through fundraising efforts while the other 50% is generated through payment of fees. Therefore, in order to provide your child the highest level of instruction possible, we ask that each student enrolled in band class pay a curriculum enrichment fee of \$150 for the Fall Semester and \$150 for the Spring Semester. Below you will find how your funds are broken down for the curricular band classes.
